# Everybody Help To Make Empire Day A Success

## CROP CONDITIONS EXCELLENT IN WESTERN CANADA

WINNIPEG, April 25.—Flouring, discing, and harrowing is in full swing in all but the heavier soils, and providing no set back occurs during the spring general according to the report issued by the Agricultural Department of the Canadian Pacific Railway here. Moisture conditions could not be better, "spring is here later" the report comments, "but starting off as it is with lots of moisture growth will be rapid. Farmers are employing more help than usual, and prospects are that there will be plenty of men available to expedite putting in the crop."

Excellent drying conditions will permit seeding immediately in districts where the soil has good drainage. The acreage at Portage Plains recently reported inundated is draining, and the soil now turning condition is good.

Farming operations have commenced over large areas in Alberta, and seeding general. The soil in this Province is in excellent shape as regards moisture, and if seeding is not unduly delayed a five percent or greater increase in wheat acreage over 1926 is anticipated. Winter wheat and rye came through satisfactorily, and if the severe weather during the early portion of the past week does not have a bad effect will make a good start. These particular fields are already beginning to show green.

Cattle in the southern part of the Province wintered comparatively well, with less than the average death rate. Snow remained on the ground all winter in Northern Alberta and cattle generally came through in poor condition, in many districts farmers having to feed practically all their herds, ring horses had a hard time, and losses, when revealed, may be considerable. British Columbia reports improved weather conditions over the previous week, but still cool for this period of the year. Fourteen degrees of frost in parts of the Okanagan valley due to the early track gardens, cherries, apricots and peach trees at Armstrong, and at Oliver the apples, apricots and

peaches also suffered. Moisture conditions are favorable, with sufficient irrigation water to meet requirements until the end of June without the supplementary rainfall. Orchard work delayed by weather conditions is proceeding and pruning is about finished. Alfalfa and grass meadows coming along very slowly, but will improve rapidly with warmer weather. All cattle are on pasture and looking well.

**WELL-KNOWN BRITISH OFFICER ARRESTED**  
Lieut.-Col. Colin Mayers, R.N., who recently retired from the Submarine Service to take up an appointment in the Submarine Department of Vickers Limited, shipbuilders and ordnance manufacturers, was arrested by officers of the Special Branch of Scotland Yard on a charge of unlawfully possessing official secret plans of two of Britain's most recent submarines.

A plane solo by Miss Dorcas Rowe, exceedingly well played.

A song by Miss Watson, very sweetly rendered, Miss Strong acting as accompanist.

Mr. G. H. Patrick was in good voice in his singing of "Devonshire Cream and Cider". He was compelled to respond with an encore. His "Devonshire Cream" made our "mouths water" for another dish of the wonderful cream our authors used to serve.

Mrs. Douglas French, in a clever little speech, moved a hearty vote of thanks to all assisting in the program, and the evening was brought to a close by singing "God Save the King."

There was a large attendance and the interest was keen throughout.

### PRESENTATION TO MISS COPE

Tuesday evening a large number of the ladies of the United Church gathered to do honor to Miss Cope, who is leaving Thursday with her father and mother, to reside in High River. The Cope family are among the old timers of Strathmore, having resided here for seventeen years, and in that time they have given freely of their time and talent to the general good of the community.

Merry games helped to pass a pleasant hour, when refreshments were served.

Mrs. Zerkle, on behalf of the L. A.

## I SAW LAST WEEK

"MAT" BARBOR, bemoaning the weather conditions which is delaying the Gun Club activities. GEORGE QUINN having a hearty-to-heart talk with Dr. F. W. Moore about house values. BEN McKINNON investigating real estate values in Strathmore. E. W. E. WHITEHEAD telling Jim Gannon a few things about score cards. THOS. E. WRIGHT flourishing out which would be the best day for the Big Strathmore Stampede; between stampedes, Gills dances, school board meetings, baseball activities, and a few other community enterprises. He had nothing else to do but take care of his regular business. MISS E. GRAY offering 300 tickets printed for May 10, and wondering if the beams in the Memorial Hall are strong enough to hold the surplus crowd JAMES GUNN and W. S. PATTERSON ready to bolt a "red line" over the Memorial Hall after George Quinn had made his speech on socialism, while fifteen minutes later they were ardent supporters of all the railway magnates and all things, after viewing the condition that would follow, which leader Eugene Bellmore. Foster, on ably presented a word picture. "JIM" WHEAT suffering from an attack of neuritis, and needing repairs before the tennis season opens. THE HOOVER GANS looking for a cable from "Pat" Smith. ELMER JENKINS glad that the Empire job did not last all Summer, or he would have to sell his "stap"

watch". GUY MELVIN looking up a new supply of buttons. "BUSTER" BROWN being transferred to Cheadle, and CLINT LEE having to do all the work at the C.P.R. station, perhaps. "DON" McLEAN making his farewell regular weekly and semi-weekly trip to Strathmore on Sunday. RECALL RED reporting his new degree R.H.D. MARSHALL KIMPTON announcing himself as Alf Carlson's expense. BILL SAUNDERS getting a work-out on C.P.R. right-of-way, but Joe Groux says he is not fast enough to get a steady job. THAMMICK HOOGLIGANS attending church parade. EDWIN COOT and ANSON CHASE practicing the Black Bottom, and FIFTY GRAY, expressing his private opinion regarding their artistic work. SPENCER HUGHES giving the newbyweds the once over at the reception. EVERY BODY wondering why the little "Brownies" were so excited on Tuesday and finding out that "Brown Owl" had promised them their "Brown Owl" bag in time to wear at the play on May 10th. PIERCY PARISH and BILL WILKINSON holding a Council of War in the Strathmore Hardware. "JIM" MURKIN driving around in state in a fine high automobile, looking like a million dollars. ELMER JENKINS leaving for Bassano on Wednesday, going down hoping to have a chance to give his "ston watch" a workout by "the dam site".

## TOWN COUNCIL HELD REGULAR MEETING TUESDAY EVENING

The regular meeting of the council was held on Tuesday night, all the members present except Dr. Moore, Mayor Shrimpton presiding. The minutes of the previous meeting read and upon motion confirmed.

A letter was received from Mrs. Zerkle, secretary of the Women's Institute, accepting the lot on second street, next to the Court House Market, and stating that plans for the building were in preparation, and would be submitted for approval at a later date.

The application from the Strathmore Cricket Club for the privilege of using the park for a cricket pitch was approved, subject to the control of the Chairman of Property.

It was suggested that Mr. W. G. Tierney, who was an ardent admirer of the park, be given authority to hang and immediately execute any one found damaging park property, or doing damage of any kind to the trees and shrubs.

A communication was received from J. C. Buckley, M.L.A., in connection with the Calgary Highway. He informs going to Edmonton on May 2nd, and the council passed a resolution that Mr. Frank Shice accompany Mr. Buckley, and state before the department, the arguments for the putting of that highway in proper condition. He will also likely take with him the petition which ratepayers have been signing.

The communication was read from the National Executive in regard to the Dominion Day Bicentennial Jubilee Celebration. Mayor Shrimpton made the night of May 11th for the public may be held to make arrangements for this celebration.

Current accounts for about \$100 were referred to the Finance Committee for payment found correct.

### COURT OF REVISION

The Court of Revision was held at the Town Hall on Tuesday evening, when the following appeals were heard:

Mr. J. D. North farm land assessed at \$23 per acre, assessment confirmed. Mr. Patterson, solicitor from Calgary, handled this appeal, and claimed a reduction, as the land, after a long time on the market, had been sold upon very easy terms, for \$24 per acre. The Court held that the assessment was equitable in comparing it with adjacent land assessments.

W. G. King assessment confirmed. A. G. King assessment reduced to \$26 per acre.

Robt Webb house property on Third Street assessment \$1,400 confirmed.

Mrs. Chase property on Third St. assessment No. 29, confirmed.

Mrs. Chase, residence property on Third Street, assessment reduced from \$2,600 to \$2,000.

Joe Van Tishem assessment reduced from \$1,500 to \$1,000.

Hub Foot Room assessment reduced from \$4,000 to \$2,500, owing to error in cubical content, basis of assessment. Ben Pesenden, primed to the gunnivalve with "goats milk," very ably proved the case, and was rewarded with the reducing claim.

These were all the appeals, which "spoke volumes for the equity of the assessors' made, and the care exercised by the assessor."

### JULY 1 AND 2 BOTH HOLIDAYS

TORONTO—Friday and Saturday, July 1 and 2, have been proclaimed by the Federal government as legal holidays for the celebration of Canada's diamond jubilee. It may not be generally known that Saturday is included as an official holiday, but that this is the case is contained in a circular issued by the national committee arranged for the due observance of the jubilee.

## Presentation to Rev. A. H. Rowe

At the Young People's Society of the United Church, Rev. A. H. Rowe was presented last Thursday evening with a very fine gold pen and pencil.

Mr. Wilfred Gardner made the presentation, and on behalf of the Society, expressed the gratitude of the members for the great interest Mr. Rowe had invariably shown in their work.

Miss Horton also paid a very high tribute to Mr. Rowe for his co-operation, assistance, and interest at all times, which had done so much to keep their Society continuing and meetings interesting and helpful. Miss Horton expressed her regret of the members at Mr. Rowe's coming departure, and tendered the very best wishes of the society for his future well-being.

Mr. Rowe replied in a most appropriate manner, expressing the pleasure it had always afforded him to work with the young people.

Goodbyes were said, and one felt that another act was played in the ever-changing stage of life.

Mrs. Bray, president of the L. A. presided.

## Death of Mrs. W. J. Miller

Mrs. W. J. Miller, an old and very esteemed resident of the Cheadle district, passed away at the Holy Cross Hospital, Calgary, on Monday, the 2nd inst.

The family have been residents of the district for a long time, and Mrs. Miller is going to be missed by the community, as she always took a big interest in the community affairs.

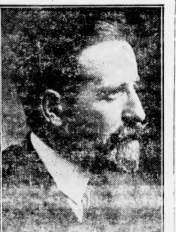

She is survived by her husband, two daughters, Mrs. C. W. Cowell, Cheadle, and Mrs. R. L. McIntosh, of Calgary, and two sons, Russell and Archie, both of Cheadle, two sisters, Mrs. Lyons, of Vancouver, and Mrs. McKenzie, of Cheadle, and a brother in Manitoba.

The remains were laid to rest in the cemetery at Calgary on Wednesday afternoon, at 2:30 p.m.

### PLAN AIR PASSENGER SERVICE WINNIPEG TO CHICAGO EVENTUALLY

MINNEAPOLIS, Minn., May 4.—The Northwest Airways Inc., owners of the contract air mail route to Chicago, plan to open an air mail line between Minneapolis, Duluth, Minn.; Superior, Wis.; and Winnipeg, Man., and a second one to Fargo, N.D. It was announced Thursday by Capt. L. E. Brinley, vice president, and general manager. Eventually, he said, the company would have a passenger service from Winnipeg to Chicago.

The company's air mail route to Chicago has been placed on a self-supporting basis, he declared, and has announced the company is starting direct lines into the Northwestern United States and Canada. Passenger service to Chicago will be undertaken this fall.

**CANADIAN BANKER HONORED**  
Sir Frederick Williams-Taylor, General Manager of the Bank of Montreal, has been made an officer of the Legion of Honour by the French Government in recognition of his financial work in that country.

### SPELLING TOURNAMENT

The Third Annual Spelling Tournament was held in the Memorial Hall last Friday evening. A fine crowd was in attendance. The spelling contests proved very interesting, and the contest part of the program was thoroughly enjoyed.

The following schools competed: Carleton Place, Orange Valley, Hervey, Valley Garden, and Strathmore. The contests resulted as follows:

Grades II, III, IV, V, VIII, High School, Carleton Place, Grades VII and VI, Strathmore.

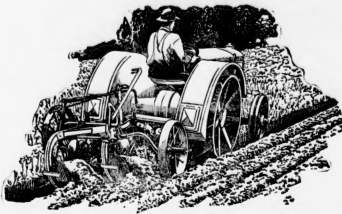

The program, other than the spelling consisted of: Song, grade I, Strathmore; Recitation, grade II, Strathmore; Piano Solo, Florence Garrett and Ida Fredericks; Song, Margaret Freeman and John Rowe; Recitation, Mr. Mackay; Piano Solo, Dorcas Rowe; Piano Solo, Maud Seabrook; Song, Sylvia Philpott; Recitation, Mrs. Douglas French; Song, Mr. Lyall; Song, Mr. Patrick.

During the evening Mr. French, on behalf of the Strathmore School Board, presented books as prizes to these pupils who had the best attendance in each room for 1926-1927.

The two cups, which were connected for were won by the grade VII team of Carleton Place, and the grade VII team of Strathmore.

We wish to thank Mrs. Douglas French, Mr. Lyall, Mr. Patrick and Mr. Mackay for their part in the program, also Mr. Joe French for acting as chairman, and the Rev. A. H. Rowe and Mr. Douglas for dictating the words.

# The Diamond Jubilee Public Meeting May 11

## Timely Work

Have you more plowing to do this Spring because wet weather hindered you last Fall?

You can do all the work you plan and on time with a Fordson.

Here's what a Fordson will do—

Plow 5 to 8 acres a day  
Double Disc 15 to 25 acres a day  
Cultivate 15 to 25 acres a day  
Harrow up to 50 acres a day

Your 1927 farm profits depend on getting your crops in on time. Let us demonstrate a Fordson on your farm without obligation to you.

## HEARD ON THE STREET

The hoodlums trying to find out how the Guides are getting to change the Queen into a pedlar woman at the concert on May 10th.

Smithy: "I think I will marry a pretty girl and a good cook."  
Bill Woodward: "You can't, that's bigamy."

Girls used to love fudge. Now they feed it to the poor fish who bring them five-pound boxes of real candy.

"The doctor will see you inside," said the nurse to the patient as she helped him on the operating table.

Bill Tierney says an optimist is a man who jumps every time he hears a cork pop.

Harold Smith: "Now, in my college days I belonged to the Order of the Garter."

Sorority Sophie: "How very interesting! Which Chapter—Boston or Paris?"

The boys wondering what kind of a sleek S. Wright will make as the "Prince Charming" on May 10th.

The dear girl waited up to recall Red and asked for a pound of wax.

"Wax, Miss?" echoed the R.H.D.  
"Yes," answered the dear girl, "wax for polishing the floor."

"We have only sealing wax," replied Red.

"Oh, sheels!" said the maiden, "that's no use at all. We are having a dance. I want to wax the floor, not the ceiling."

"Sorry," said Red, "try Harbor & Craddock's."

"Jim" Moran was boasting at home the other evening about when he was a boy how he had been trained to help with the housework and how expert he had become in the art of sweeping. He proceeded to give a practical demonstration, but the youngsters had the laugh on him when they pointed out to him how he had missed all the corners.

"I had the last word in an argument with my wife," said a Strathmore man "but I was about two blocks away from the house before I got to say it."

Tony Groutin, in his latest ditty says "When the grass with dew is wet, Little skirt, you need not fret; Up above it you're so high That you can't help feeling dry."

Suspicious wife: "Where have you been all the evening?"  
Husband: "I've been talking over business with Reg. Pattemore."

Wife: "And suppose that Butter Crust flour sprinkled all over your coat?"

They were on their honeymoon and the groom gave the porter a dollar and told him to tell the bride and groom. At breakfast, the next morning everyone started. The groom called the porter and asked: "Did you tell anyone on the train we were just married?"

"No, sah," replied the porter, "I told 'em you'll be single."

Pette Customer: "May I see your very thinnest in silk leotary?"  
Clerk: "I'm sorry, sir, but she is off for the afternoon."

Mother: (to son across her knee) "I'll teach you to the sauce pans to dog's tails."

Son: "But, mother, it isn't our dog."  
Mother: "No, I know it isn't our dog, but it's my sauce pan."

"Did my father leave an order with you this morning for a load of wood?" asked a strange, but attractive, young lady of a well-known Calgary coal and wood dealer.

"I don't know, miss," he replied. "There was a gentleman in who said to deliver a load to a driver who would call and said it was for Mr. Zell."

"Yes, thank you," she said, "I'm Gladys Zell."

"Oh, yes, of course," he replied, "so am I."

"She says brunettes have a sweeter disposition than blondes."

"Well, my wife's been both and can't notice any difference."

Doctor (handing the arm of a tramp who has been run over): "It's a wonder you don't use soap and water now and then."

Tramp: "I have thought of it, but there's so many kinds of soap."

about now, and it's so hard to tell which is and which is not injurious to the skin, that I don't like to take any risks."

## SIMPLICITY IN MAKING WILLS

The difficulties which sometimes arise in the administration of an estate are often due to the fact that the will has been drawn in an obscure and ambiguous manner.

A will, when properly drawn with the aid of competent legal counsel, is not necessarily a lengthy or complicated document.

Your desires will be carried out and your dependents better protected if you have your lawyer draw your will today, and name THIS responsible TRUST COMPANY as your Executor.

and the Non-concurring Congregations in the general proportion of 75% to 25% respectively. For such division about \$110,000 are now available. Legacies vested as above for the missionary and other funds, of which about \$140,000 have already been paid, will be divided in the proportions of 66% to 34% respectively, except such legacies as are specially designated for a particular institution or mission. To sum up: out of assets totaling approximately \$1,260,000, property and funds valued at \$1,261,650, apart from their share of legacies vested as at June 30th, 1925, have been awarded to the Non-concurring congregations, or about 31% of the whole. This percentage concerns property and Capital Funds only and does not take into account the money to be returned by the Non-concurring Congregations for the maintenance of their institutions and missions since June 10th, 1925. It corresponds generally with the proportion of congregations and members of the Presbyterian Church in Canada which did not see fit to enter the divided Union.

CANT BE DONE

By William Feather

When you read the story of a man who sat down in his early twenties and planned his life and then developed the plan—do not let it worry you.

No such thing ever happened. The truth is, hardly anyone sees very far ahead. And the bigger a man is the quicker he is to admit the final realization of

his efforts surprises him as much as anyone else. Of course, all of us have vision. I don't suppose there ever was a small business man who did not see himself some day in the role of a big business man. But few of them get there by any route thought out in advance. Most men grow because they must in order to survive. The business pushes them more than they push the business. It's a case of go ahead or go backward, and so they choose to go ahead.

### NATIONAL COMMITTEE

#### SUGGESTIONS FOR DIAMOND JUBILEE

The following suggestions have been sent out by the National Committee of which the Rt. Hon. Geo. P. Graham is the Chairman of the Executive.

#### Public Meeting

The Mayor or Reeve should at once call a public meeting to form a Diamond Jubilee Committee. The municipal council, the educational authorities, representatives of churches, societies, and all other organizations should be included on this committee. Try to get every class of the community interested.

#### Diamond Jubilee Committee

The function of the Diamond Jubilee Committee will be to arrange programs for Dominion Day, Friday, July 1st; Saturday, July 2nd, which will be a public holiday this year; Sunday, July 3rd, and to appoint sub-committees to coordinate, participate of school and with such matters as finances, children, sports, parades, pageants, music, etc.

#### Decorations

Local committees should see that public buildings and streets are properly decorated with flags, bunting, etc. The citizens generally should also be asked to decorate their own homes.

#### Form of Celebration for July 1st

Every celebration on July 1st should be a public function under the leadership of the Mayor or Reeve of the community. There should be a clear, strong, dominant note of patriotism in every celebration. This is Canada's Sixtieth Anniversary as a Dominion. Let the hearts and minds of all our people be directed to Canada—what she has done in the past, what we hope to make her in the future.

#### Time of Celebration

The people should assemble at some convenient time of the day for the community celebration. The time need not necessarily be the same in each place. This will be decided by the local committee.

#### Procession and Parades

A good way to get people together is to have a procession. Engage the local bands and have the children march in a parade in which all societies and organizations should have a part. Although in most localities, July 1st falls after the close of the school year, arrangements should be made well in advance to have teachers and school children attend in a body. This will be the only opportunity in this generation to celebrate in a great national way the founding of Confederation.

#### School Children

Teachers and school children assemble at their own schools, where souvenir medals, issued by the National Executive Committee may be presented before the parade and celebration.

#### Floata and Tableaux

In the parades, floats portraying the history of our country should be included. If floats cannot be made, the school children or young people might arrange historical tableaux with suitable dances and music. A booklet is in course of preparation by the National Committee, giving details as to how floats and tableaux of this kind can be easily prepared. This will be forwarded to local committees on application.

#### Militia and Veterans

In the celebrations in Ottawa and the Provincial Capitals, and in the larger cities and towns participation of units of the Militia will be distinctive feature of all processions. Officers and men of local regiments will doubtless be pleased to assist if their cooperation is requested by local committees. Veterans should also be requested to join in parades.

#### Newcomers

Newcomers in all districts should be especially invited to take their part in community celebrations. All who love Canada and who aspire to be good Canadians should be made welcome.

### Old Settlers

Where there are old settlers, more particularly those in the west who took up land in the picturesque manner of the ox-trail and the prairie schooner, they should be especially asked to join in the celebrations.

### Indians

If there are any Indians in the vicinity they should be asked to participate in the procession and in the subsequent ceremonies. Do not overlook the earliest inhabitants.

### Solving the Flag

Wherever public ceremonies are held, the flag should be flown in a conspicuous place. On arrival, protesters should march past the flag and salute.

### Presiding Officer

Public ceremonies should be called to order by the Mayor, Reeve, or other public functionary. Wherever possible, choirs of school children or other community choirs should be stationed near the Presiding Officer. Such choirs, apart from selections they will contribute to programs, should lead in community singing.

### Suggested Program

A suggested program, which may be varied to suit local conditions, is submitted by the Mayor, Reeve, or other public functionary. It includes: (A) "O Canada! Our Home and Native Land"; (B) True patriot-love in all thy sons command.

With glowing hearts we see thee rise, The True North, strong and free, And stand on guard, O Canada, We stand on guard for thee.

### O Canada! glorious and free.

O Canada, we stand on guard for thee! O Canada, we stand on guard for thee!

(D) Reading by Presiding Officer of certain address which will be furnished by the National Committee and will be common to all celebrations throughout the country.

(E) Short patriotic addresses by public men or clergy, etc.

(F) Patriotic song.

(G) Recitation or addresses by school children. Children who have been winners in any special patriotic competition in connection with the Diamond Jubilee should be included.

(H) Patriotic song.

(I) "God save our gracious King. Long live our noble King. God save the King. Send him victorious. Happy and glorious. Long to reign over us. God save the King!"

### Decoration of Monuments and Historic Sites

After the program has been completed any monuments of the Fathers of Confederation, of public men since Confederation, or of men and women of National eminence, should be decorated, preferably with wreaths of maple leaves.

### Plenica, Etc.

Associated with the public ceremonies there should be a picnic or other demonstration. With sports for the children.

An attempt should be made to get all the people of the community to gather in a great outdoor gathering.

### Evening Programs and Illumination

In the evening there should be a concert, with fireworks and a community bonfire or other illumination. Where bonfires are lighted, the local Committee should take every precaution to see that no damage to property results. Electrical illumination and display is recommended wherever possible. The National Committee expects to furnish particulars later for a uniform type of electrical illumination for the whole country.

During the evening of July 1st, it is hoped to broadcast from Ottawa through the medium of the Canadian Broadcasting Corporation, a patriotic concert played on the carillon of bells in the tower of the Federal Parliament Building. Details about this will appear later in the press.

### Saturday, July 2nd

#### Sports Program on Saturday

The celebration should be continued on this day and should preferably take the form of a program of sports, in which Canadian sports such as lacrosse, canoe races, etc. should find a special place. In view of the wide differences in various localities, it would be difficult for the National Committee to lay down any definite program.

### Sunday, July 3rd

#### Thanksgiving Services on Sunday

On this day churches in all communities should be invited to hold special services and, wherever possible, joint community services should be held in the open air.

### Finances

The National Committee will not be able to extend financial aid to local community celebrations, but it suggests the following plan which is being followed in communities already organized:

#### 1. Municipal grants.

#### 2. Voluntary subscriptions.

#### 3. Sale of souvenir programs.

#### 4. Small admission fee for certain sports and other special events.

### WHEAT POOL NOTES

Hanna townpeople and Hanna farmers are planning on a united drive to put over one one hundred per cent slogan of the new Wheat Pool contracts, according to information received at the Pool head office. The Hanna Agricultural Society and the Wheat Club of that town are planning on putting their combined strength behind a drive to make Hanna district solid for Wheat Pool in scores of other centres in Alberta the same feeling is manifest. The majority of the townpeople are lined up with the farmers in the latter's determination to handle and merchandise their own wheat.

### The lease of Vancouver Terminal Elevator No. 2 by the Alberta Wheat Pool has been finally signed, and the Pool takes over this terminal on August 1st. The rental for the first year is \$100,000 and will be slightly higher for succeeding years.

### READ THE WANT ADS.

### TAXATION OF MAIL ORDER HOUSES

The belief in the justice of compelling mail order houses to contribute to local taxation in the same manner as other business concerns. The burden of trade and commerce are becoming alive to the injury to community development which is resulting from mail order house operations. Neither do they nor we have any quarrel with mail order houses as such. It is the devastating effect of their operations upon community life, which is our joint concern. The taxation of mail order houses will not eliminate competition and the public do not wish that competition eliminated. The fairness of the proposition that these great trading corporations should contribute to local taxation is beyond dispute, and many important bodies are giving this movement their unqualified support. The subject has been brought up in the Federal House of Commons and in the Legislative Assemblies of all the provinces, and the principal cities have accepted the movement with notable interest. It will be the duty of the Retail Merchants' Association and all bodies who are interested in the welfare of the community to develop to keep this question right to the front until a measure for the taxation of mail order houses for the purpose of local taxation finds a place on the Dominion statutes. The following resolution was passed by the Trade Union of the March 2nd, 1927, that the Regina Board of Trade go on record as being in favor of the imposition of a tax on mail order houses to the extent that they may not be unfairly discriminated against.

While the Regina Board did not go into any details as to what form the tax should take they approved of the principle, which is the main thing at the present time. On March 11th, the Kinross Board of Trade passed the following resolution:

Moved and seconded that, Whereas the Kinross Board of Trade is very strongly in sympathy with the present movement put forward by the Retail Merchants' Association of Canada, whereby provision should be made by the Dominion government for the taxation of mail order houses doing business in the Dominion of Canada, do hereby thoroughly endorse any legislation which will bring about the above, for the betterment of conditions generally in the rural communities of the Dominion of Canada.

That whereas a few mail order houses in the Dominion of Canada, do a very large business throughout the said Dominion, and whereas the said mail order houses pay no taxes to the municipalities in which they do business.

On February 25th a resolution was passed by the Board of Trade at Weyburn as follows:

The Board of Trade of the City of Weyburn are firmly of the opinion that the said mail order houses should pay an equitable tax on such business, and strongly urge that the Federal government should enact legislation for the purpose of placing such a tax on the mail order houses.

Copies of these resolutions have been forwarded to the Dominion secretary of the Retail Merchants' Association and it is to be hoped that the boards of trade and commerce throughout the Dominion will pass such resolutions as will strengthen the hands of the applicants for a measure of mail order house taxation in the interest of the community life—Western Retailer

## The 4 Great Essentials in Your Buying

### 1st Quality, 2nd Price, 3rd Service, 4th Assortment

These we consider are the four essential points that are all important to the buying public, and this store is absolutely depending on these four points to build up an ever increasing business.

**QUALITY**—Before we buy we must be convinced that the quality is the best to be had on the market at the price.

**PRICE**—We study every manufacturers price list, and look through travellers samples carefully, to be sure we are not passing up any plums our customers should have.

**SERVICE**—We have a staff of competent obliging salespeople, who are anxious to give you cheerful, intelligent service.

**ASSORTMENT**—Our large turnover enables us to always have a good assortment to select from.

Why not get down to brass tacks in your buying policy? We have eliminated every unnecessary expense that would add one cent to our customers' bills. Co-operate with us and benefit yourselves. Get our prices and figure your savings.

#### SHOE SPECIALS

Women's House Slippers, English made, a snap... \$1.50  
Women's Calif. 1st strap, Reg. \$4.75, medium heel... \$3.50

#### CHURCH BULLETIN

STRATHMORE UNITED CHURCH  
Sunday, May 8th, 1927

"Woman and Loyalty" will be the subject at the Mother's Day Services. There will be a special programme of worship, with appropriate music. — Namika at 11 a.m., Chesham at 2:30 p.m. Strathmore United Church at 11 a.m., and Evening Worship at 7:30 p.m.

The weekly meeting of the Explorers and Trail Rangers at Namika will not be held because of the Minister's absence. Mr. Rowe will be in attendance at the meeting of the Calgary Presbytery Tuesday and Wednesday, May 3rd and 4th.

All other groups meet this week as usual. The "Grey Eagles" T. H. Camp, of "Chesham", will meet the H. B. Trail Rangers, of Strathmore, in a baseball match at the Strathmore grounds on Friday, May 6th, at 5:30 p.m. This promises to be a real game. The teams are well matched in many ways. There will be a pitcher's contest be-

tween Frank G. Edwards and Hector W. McGregor.

ARTHUR H. ROWE,  
Minister

#### ROMAN CATHOLIC CHURCH

1st Sunday of month, Mass at Carleton Place 9 a.m., Strathmore 11 a.m.  
2nd Sunday of month, Mass at Langdon 9 a.m., Strathmore at 11 a.m.  
Rev. J. E. DUGGAN.

#### CARLETON UNITED CHURCH

— — —  
Luncheon—Public Service, 11 a.m., Sunday School at 12 noon.

Carleton—Sunday School at 2 p.m., Public Service at 3 p.m.

Blind Creek—Public Service at 7:30 p.m.

The Treasurer's Report will be read, and the Stewards elected, at each of the appointments, at the close of each service.

Rev. FREDY JOHNSON,  
Pastor

TO MANAGE OLYMPIC TEAM  
W. A. Hewitt, of Toronto, who has been appointed manager of the Canadian winter sports team which will compete in the Olympic games next winter. The team will probably comprise figure and speed skating and skiing teams as well as the Varsity Grade hockey team.

## LOCAL GOSSIP

Gatenby's Department Store staff is certainly living up to the motto, "Watch Us Grow." Wednesday the staff were the proud exhibitors of four young kittens that had joined the organization during the night.

"Pinty" Gray has thrown in his lot with the C.P.R. staff, thus usual dividends may be anticipated by the shareholders.

The storm arrived at the home of Bill Dames and left in his care a young and husky farmer. Bill is not quite sure whether the stark got lost in the snow storm and left this young fellow in mistake or not, but in any case, Bill says he is a good one and has come to stay.

Rev. Mr. Winters, of Calgary, has taken charge of the pastoral work of St. Michael's and All Angels Church for the next four months, and conducted the services last Sunday. In the meantime this is only temporary pending the time when the newly elected Bishop Sherman will have time to consider the matter. Mr. Winters is a returned man, and suffered a severe gassing while on active service overseas.

Monday will be Arbor Day, and the Royal Bank will observe same as a holiday. Manager Joseph Van Tighem is expecting to entertain a number of bankers from Calgary and the surrounding branches in the Bow Valley, and expects to give most of them a proper training in the golf course. If you happen to have a note falling due on Monday, you will be able to rest contentedly on Sunday knowing that you have picked up an extra day.

The Court of Revision passed off very quietly, and but few appeals were made against the assessments. In a very short time Mr. T. M. Weirs will again be happy sending out tax notices and rolling in wealth, while the ratepayers are just asching to turn into the Town coffers.

Seven minutes from the time the fire alarm sounded, the fire brigade had the chemical engine at work on the conflagration. Mayor Shrimpton and Councillor Schulte made fast time, but were speechless for some time after reaching the point of attack; in fact "Ted" was not back to his usual form at the time of going to press.

Bob Anderson has been receiving congratulations upon the arrival at his home last week of a son and heir. Bob says he is healthy, the image of his dad, weighs ten pounds in his stocking feet, and the coming champion of the Strathmore Stampede Bucking Contest.

There was almost a riot at the Council meeting on Tuesday night, when the Minister of Public Works inadvertently swiped a cigarette, the property of the secretary-treasurer, which had been presented to him by Mayor Shrimpton.

On account of the Memorial Hall being engaged on May 10th by the Girl Guides, the monthly meeting of the Canadian Legion will be held on Thursday, May 11th, at 8:30 p.m.

Tuesday afternoon the fire gong summoned the brigade to action, to put out a small conflagration that had started in the house owned by D. Bolesevain, and occupied by Mrs. Broadhead. The brigade, under Chief McParland, was promptly on the scene, and with the Chemical engine, soon had the fire under control. It was a good test for the new motor equipment, which, although in fine working condition, was not needed. The fur-

niture was quickly removed, and the loss is but a small one.

Mr. and Mrs. R. Thomas arrived in town on Saturday from Hamilton, Ont. where they spent the winter.

Miss Mulloy, who has been housekeeper at the King Edward Hotel for some time, has resigned and gone to Oids.

Harry Thorburn has under consideration, the installing of the Frigidaire system for keeping all classes of perishable foods.

War was declared by China upon Scotland last week; at the time of going to press, China was under cover, while Scotland was strong and vigorous, and full of enthusiasm.

Frank Miller left on Sunday for Coronation, where he took over the Royal Crown Hotel on Monday. Frank's friends are wishing him success in his new undertaking.

Manager Hirtle, of the Entertainment Committee, of the Elks, busy as a sailor making arrangements for the Elks Dance in the Memorial Hall on May 12th.

Miss Sophie Rasmussen, of Seattle, who arrived in Strathmore on Tuesday morning, and phoned to Harold Smith, of Carleton, at 10:45 a.m. She was much disgusted to learn that the young man was still taking his morning "sleazie" and passed on, enroute to Winnipeg, without getting in touch with her erstwhile admirer. "Snath" was so much upset and disappointed when informed who had called him on the phone, that he attempted to drown his sorrows by drinking two glasses of buttermilk without a chaser.

Mr. W. R. W. Whancey, D.D.G.M., paid an official visit to Strathmore Lodge on Tuesday night, and delighted the members with a brilliant address. He was accompanied by Mr. W. R. J. V. Follett, and Mr. H. E. Cutler, who also spoke later in the evening.

"Pinty" Moore and wife were in town on Sunday, renewing acquaintances. "Pinty" has returned from Vancouver, and is now employed at Calgary.

Mr. A. E. W. E. Whitehead and Mrs. A. A. Moore were elected Councillors for the Provincial I.O.O.F. at the meeting in Calgary last week.

Dr. T. W. Moore says he had no idea that there was such a demand for house repairs in Strathmore. He has had several applicants to purchase his residence.

Tuesday was a busy night for the Mayor and several of the Councillors. The Board of Health met and held a session at 7:30 p.m. The Court of Revision opened a little after 8 o'clock, which was followed by a regular meeting of the Town Council. These meetings, in addition to the activities of several members of the Council with the Fire Brigade, together with many interviews throughout the day, is a sample of the service that public men render gratuitously for the good of the community, and for which they are not always rewarded, even with words of praise.

Carleton High School baseball team came up on Saturday, and gave the local Juniors a proper trimming, scoring 7 to 1. Jack Orell was heart broken by the support given him. R. Moore pitched for Carleton, and was well backed up by Robinson, and the rest of the team. The boys are hoping

#### FAREWELL AT THE UNITED CHURCH

On Thursday evening, April 28th, a number of the men and women of the United Church of Strathmore, comprising the members of the choir and the church board, met in the Primary School Room to bid farewell to two very valued families of the church, Mr. and Mrs. Miss Cope, and Mr. and Mrs. W. D. Fisher. A number of contents and guests were indulged in, led in good fashion by Mr. Lydiate, and refreshments were served under the direction of Mrs. R. A. Brown and Mrs. Dewitt, assisted by other ladies. After this, Mr. Lydiate made a fitting speech, and presented to Mr. and Mrs. Fisher, a club bag, and to Mr. and Mrs. Cope an electric Radiant Stove.

Mr. Lydiate explained that these were small tokens of a large affection from the Official Board, and the choir, where each of the guests of the evening had taken a cheerful and efficient part in helping the church.

Suitable replies were made affectionately by the recipients, and words of appreciation and godspeed were spoken by Mrs. Bray, President of the Ladies Aid, Mr. Garrett, Clerk of the Session, and the Minister. Then all exchanged the good wishes of the Church Board of Strathmore, Mr. Cope, a Trustee, and lately a member of the Session, and Miss Cope, the Treasurer of the Ladies Aid Society, while all of them, including Mrs. Fisher, have been accomplished singers in the choir, faithful and loyal.

#### ROSEBUD

On Wednesday evening the U.F.A. and U.F.W.A. members and several others gathered at the home of Mr. and Mrs. Jack Campbell for a farewell party in honor of Mrs. McCallum, one of their departing members. Five tables of bridge were played, the first prizes being won by Mrs. Lees and Mr. Seem, while the consolation went to Mrs. McCallum and Mr. Jack Campbell. After the very appetizing lunch was disposed of, Mr. Robt. Lees made a charming little speech, and on behalf of the members of the U.F.A. and U.F.W.A., presented Mrs. McCallum with a handsome leather club bag. The gathering broke up in the small hours of the morning.

Mr. W. E. Hymas is spending the week at his firm in this district.

Mr. Schultz and son, Herman, who recently arrived in Rosebud, have been called to Washington again, to be with Mrs. Schultz, who is very ill.

Mr. and Mrs. Jack Campbell spent the week and in Beiseker with Mr. and Mrs. Fred Campbell.

The Ladies Aid held a very successful sale of home cooking and aprons in the hall on Saturday last.

Next Sunday is Mothers' Day, and the Sunday School will be held in the afternoon at 2:30. In the evening the regular service will be held at 8 o'clock, when the Rev. Mr. Halsestad will deliver a special sermon for Mothers' Day. Everyone is urged to attend.

Mrs. Homer Jones is leaving this week to spend a visit with her father at Carleton.

to be in better form for a return game at Carleton.

Harry Thorburn has had a sign set at work this week, putting on new signs on the windows of the Strathmore Hotel.

Dr. T. W. Moore disposed of his residence on Wednesday to Mayor Shrimpton.

**ROCKYFORD UNITED CHURCH**

**NOTES**

The congregational meeting of the

Rockyford United Church was held.

A very good attendance of people

showed an interest in the working of

the church, and the reports for the

year past were encouraging. The

money collected for the various phases

of the churches work and expense by

this congregation amounted to

\$2,557.94, which was indeed a very

creditable showing. The Ladies Aid

raised \$527.00 of this amount, and the

Sunday School and Boys' Groups

\$288.00, exclusive of the amount

contributed to the Missionary and Sunday

School work of the church at large.

The Budget fund raised and expended

by the Circuit amounted to \$282.02,

and the total raised for all purposes

on the circuit was \$4,074.99. Our debt

was reduced by \$550.00 during the year

and there was contributed as the

Maintenance and Extension Fund of the

Church, \$460.00. The meeting ap-

pointed the following persons on the

Official Board for the ensuing year:

Messrs Smith, Dunsmore and G. Hop-

peal as Stewards, and Messrs S. Hop-

peal, Kenworthy and Mrs. Smith as

members of the Session. The follow-

ing young men were appointed as

helpers and assistants: Messrs Francis

Kenworthy, H. Dyer, L. Dunsmore, and

E. Kenworthy.

The congregational meeting was

held at Crowfoot, and reports for the

year past, showed a maintained inter-

est in the work of the church, though

there was evidence of discontent in

some circles. The Sunday School re-

ported 24 sessions, with an average at-

tendance of 27, and money raised

amounted to \$48.97. The amount con-

tributed to the Budget of the circuit

was \$165.21. The following were ap-

pointed as officers during the incum-

ing year: Messrs Harold Scher and

Charles Garriett as Stewards, Mrs.

Patching and Mrs. D. R. Garriett as

members of the Session. Mr. C. R.

Garriett was appointed as Sunday

School Superintendent. Miss Grace

Scher, Mrs. D. R. Garriett and Mrs.

C. O. Hookin as Teachers in the Sun-

day School. Miss E. Patching as Sec-

retary-Treasurer. Miss Mary Scher

was appointed organist.

Special Mothers' Day Services were

held, May 8th, at Crowfoot, 11 a.m.

Service 2 p.m., Rockyford 3 p.m. Sun-

day School, Rockyford, 11 a.m.

## ROCKYFORD

The storm of last week caused a stoppage of work on the land, but fortunately the dry winds of the last few days have had the effect of clearing away the snow, and work is in full swing again now. Twelve loads of cattle, the property of Mr. Rood, and two loads of sheep belonging to J. Urwin, which drifted in the storm, have not yet been found, and information to their whereabouts would be appreciated.

The dance, which was to have been held on Easter Monday, and was postponed on account of the storm, until April 25th, was a great success.

The Village Council have made arrangements to deliver Manitoba wild plum trees in Rockyford. Residents of Rockyford can obtain them for twenty-five cents each, in Rockyford only. Reports from the Dept. of Natural Resources, C.P.R., at Brooks, says that in the last four years they have never failed to raise a crop of plums. To quote from their letter: "From the few trees we had last year of bearing age, we had literally bushels of plums." The market value of the trees at less than \$1.00 each. There is also a shipment of Golden Globe roots coming in, and these may be had in a limited quantity free. Leave your application with Mr. C. E. Walrod for both trees and plants. The Rockyford Rural High School and the Glennan School are together putting out 2500 green ash trees and 1000 Russian plums.

As a result of the old Masonic Hall being moved across the street for other purposes, the Masons have taken up new quarters in the Rockyford Hall. The Village Council are installing in side blinds on the windows for them. This will be of benefit to the picture show as well as the lodge.

Spring is with us again, and we hope to stay this time. The seedling operations in the Rockyford are well under way, despite the recent storm. Prospects never looked better. Let's hope for a bumper crop this year.

The Municipal District of Blackfoot has given us assurance that the 100 miles extending from the Fireward road to the Calgary-Medicine Hat highway will be graded by June 15th. This is a much needed improvement as it is the connecting link between Rockyford and the main highway. The road to Calgary has been opened with the exception of the four miles, or practically the whole winter.

Miss MacIntyre of London, was the house guest of Miss Betty Leonard for the Easter Holidays.

Miss Mary Griffin has returned home from Beiseker, where she has been visiting her sister, Mrs. Fred Campbell, for the past week.

Wednesday, May 11th, Rockyford will have the honor of being visited by Judge Chaffy and other prominent Canadian Club members, of Calgary. It has not yet been decided by the committee as to just what form this meeting will take, but it will most likely be an informal dinner. An invitation is extended to everyone interested in Canadian affairs. A good program is being prepared, and this date is to be looked forward to. Watch for posters for full particulars of program. Don't forget the date, May 11th, 1927.

The Ladies Aid of the Union Church are holding a home cooking and plant sale at Fodor's Hardware Store on Saturday, May 13th.

Mr. Andy Clark, of Huxar, was a business visitor in Rockyford on Thursday last week.

Mrs. Wiona was in Huxar last week visiting her daughter, Mrs. E. E. Browne.

Mr. and Mrs. Bill Kelly, of Calgary, and Miss Torgue of Huxar were the guests of Mrs. Phil Linnefelder on Wednesday last week.

We are sorry to report that Mrs. Geo. Kennedy met with a very painful accident on Monday last week, stepping from her car onto the casing at the corner of Fodor's Hardware store, she failed to notice a hole at the edge of the casing, and stepped into it, sustaining a very bad leg broken limb, four bones being broken. She was taken to Calgary for medical attention, and is at the Holy Cross Hospital. We hope Mrs. Kennedy has a speedy recovery.

## LOCAL SLING SHOTS

"SHINY" purchased a Ford Packard and found a bottle of high explosive concealed under the hood. Nothing like getting your money's worth. Hard luck "FAT" better carry it with you the next time. We would suggest BERT WYMAN as the traffic cop for the village. ONE OF OUR LOCAL SHERIFFS is a new car tried to run over him, but Bert certainly held his ground. FRED GIBSON sold two Chevrolets last week. Phil says the show Saturday will be real good. Johnny Hines in the "Brown Derby" is all right. CANADIAN CLUB meet May 11th, in the Rockyford Hall. PERRY and HUGH are curious to know where the bottles went at the last dance night. "BOYS, THIS MUST BE STOPPED," by a gentleman of learning. RALPH STONE cordially invites the boys to visit his premises. NEW TELEPHONES INSTALLED. 39 Mrs. D. S. Howick, R704, H. D. Cullen.

A large crowd attended the post Easter dance, which was held in the Rockyford Hall on the night of April 25th. A very nice supper was served by the ladies of St. Rita's Altar Society.

The Rockyford Ladies Club met at the home of Mrs. C. E. Walrod on Thursday of last week, the occasion being got a literary nature. Mrs. Ryan, in her usual capable manner, gave an address on the subject "Are the Women of Today as Happy as Their Grandmothers Were?" This was followed by an animated discussion on the subject. Mrs. Wion Shon gave a poem of her own composition, which showed the decided talent of the composer. The next meeting will be held on the regular day, the second Thursday in May, at the home of Mrs. Ryan, at 2 p.m., when two ladies will address the meeting. Mrs. B. Wyman on the subject of "The Woman and Her Job," and Mrs. Fraser on the subject, "The Education of the Child in the Home." All ladies are cordially invited to attend these meetings.

Baptist Community Club held a very successful party at the Post Office Hardware store, Rockyford, on Saturday afternoon, April 29th.

Mrs. Dr. R. D. Hewson, and Doris were visitors at Glenlea last week, the guests of Mrs. A. G. Baker, Glenlea.

Mrs. J. Black and family were visiting Mrs. Fletcher, at Drumheller, for a few days last week.

Mrs. Chas. Dunn, of Drumheller, was a week end visitor at the home of Mr. and Mrs. J. A. Wile, of Rockyford.

The Rockyford golf course is now in good shape, and has been well patronized by local amateurs.

Mr. and Mrs. Dave Schmidt are expecting the birth of a son.

On April 29, a surprise party was held for Mr. and Mrs. Joe Stinn, who had just returned from the U.S.A. with Phil Stinn. A most enjoyable evening was spent in dancing and games.

Miss Mary Peters, of Carstairs, is at present on a two weeks' visit to Mrs. A. W. Miller.

## MR. W. R. CLEMENS ENTERED TWO

dogs in the field trials held at High River last week, under the auspices of the Alberta Kennel Club.

Mr. Guy Tremblor, who was taken suddenly ill last Wednesday, and returned to the Holy Cross Hospital, is now able to report, making good recovery.

We are sorry to hear of the death in Colorado, of Mr. Layder, and great sympathy is felt for his daughter, Mrs. Charles Country.

A very pretty wedding took place in St. Rita's Church at eight o'clock on Tuesday morning of last week, when Rev. Father Boltz united Miss Cecilia McNeill and Mr. Albert Stinn in the holy bonds of matrimony. The only attendants were Miss Kelly, of Calgary, as bridesmaid, and Mr. Earle McNeill, the bride's brother, as best man. A very nice wedding breakfast was served at the McNeill home after the ceremony. Both Mr. and Mrs. Stinn are well known in this vicinity, and carry with them the good wishes of a score of friends. They expect to make their home on the Stinn farm near Rockyford.

This mode of travel has many advantages. In the first place, it is planned with a view to including in the itinerary the most interesting points, which, with the other arrangements that are made, obviates the necessity of the passenger worrying about connections, sleeping car accommodations, meals, and entertainment en route. This is all done in advance by experts, leaving the passenger free to enjoy to the full the scenery and attractions attendant to such tours.

The local agent of the Canadian National Railway will be pleased to give you full particulars of this tour.

## KEEPING FRUIT PRICES DOWN

WINNIPEG—Mr. F. M. Black, who returned from the coast, said the scientific method of sealing under the British Columbia brand should benefit the consumers. The growers of the coast were solidly behind the new scheme, he said, since they believe it offers a way out of their difficulties caused by years of disorganized marketing.

## ESTRAY SINCE THE BLIZZARD ON

April 18th, 1 Black and White Polled cow, branded on left ribs, 1 black and white Holstein heifer, May calf, no brand; 12 Head of Cattle, mostly branded on left ribs. These stock were believed to have gone South East from Rockyford, Phone 105 or 720, Rockyford. 4-6-10

## CANADIAN NATIONAL EUROPEAN TOURS

A maximum of travel through particularly interesting countries at a minimum of expense is provided in the Canadian National Educational Tours this summer through Scotland, England, France, Belgium, Switzerland and Italy.

Two tours have been arranged and sailing will be made from Montreal, July 8, on the S.S. "Andania," direct to Glasgow. Very careful attention has been given to itineraries involved.

Tour No. 1 is a 27-day trip on sea and land, visiting important cities in Scotland, England, France, Belgium, Switzerland and Italy. All expenses, \$151.00, Montreal to Great Britain and the Continent and return to Montreal.

Tour No. 2 is a 61-day trip on sea and land, visiting in Scotland, England, France, Belgium, Switzerland and Italy. All expenses, \$351.00, Montreal to Great Britain and the Continent and return to Montreal.

There will be low excursion fares to the seaboard from points in the Prairie Provinces.

These tours will be personally conducted from Western Canada, and while overseas will be under the direct care and supervision of thoroughly reliable and competent organization, fully qualified in every particular to successfully look after the interests of our patrons.

The sight-seeing program is very complete and generous. Motor coaches and automobiles are freely used. All sight-seeing is well planned, and there is no unnecessary fatigue and to see the worth-while places within the time at our disposal. Complete lectures will reveal to our patrons the outstanding features, literary, historic, artistic or scenic of the Old World centres visited.

E. M. Wilson, local agent for the Canadian National Railway, will be glad to discuss these tours and answer all details.

## TO OUR READERS

The Standard will be glad to have the names of visitors in town and accounts of various social events for publication. Such communications should be signed and the address of the sender given. Readers in the surrounding districts are encouraged to send us news. We want to cover the whole Bow Valley, Miss the Standard and Your Home Page.

# The Place of Electricity On The Farm

"New Worlds For Old"—H. G. Wells' Idea

ARROWOOD, April 12.—Back in 1903 H. G. Wells in his "New Worlds For Old" pointed out the fact that enough was then known of science and scientific methods that if they were allowed to be made known to the people, every home in the civilized world might almost immediately be supplied with running water and electricity. Such a change would certainly revolutionize our attitude toward home life. Farm life instead of being a struggle—instead of being something to be tolerated—would become a highly-interesting life. One of the greatest factors which draw men to live in cities is the prevalence of the common conveniences and, in fact, most of our every-day efforts are put forth for the purpose of earning wealth in order to have a greater number of conveniences.

It is our hope for better things in the future which keeps us in shape for work in the present.

Colonel R. G. Ingersoll when he was alive and delivering what are perhaps the greatest and most able lectures which have ever been delivered by any man, had a lecture which he delivered on Farm Life. He stressed the value of the conveniences within the home. He spoke of the value of a well-equipped bath room, and though the use of electricity was not then applied to farm homes to any extent, he showed that conveniences which led to a more pleasant farm life were not an expense, but were a first-rate investment.

There are many things which are often neglected when farms are being built up, which might well be included, but according to the expense entailed, perhaps the addition of electricity is the line which gives the most for the money.

Some feel that they are unable to provide this convenience, but consider its advantages. Consider the safety, the ease in reading at night; consider the danger and the trouble entailed in the use of gasoline lamps; consider the handiness of lights in the barn, in the granary, and in the cellar (or basement). You, perhaps, will be buying an engine to operate your pump jack and your grain cleaner. This cost alone would make the first payment on your light plant, or go a long way toward it, according to the plant which one decides upon.

It is likely that many individual men in this district will spend enough on tobacco and beer in the next five years to pay for an electric plant, and the cost of operating it. Since one finds money for the former, why not the latter? It is an admitted fact that one may smoke fifty cents' worth of cigars each day through the year, and yet have just as much money at the end of the year—he simply unconsciously arranges his expenditures in such a way that he does not notice the expense. What he spends in one direction he denies himself in another.

A few years ago two men were standing on a street corner in St. Louis. Both were office men. One man was smoking a fine cigar, the other was not smoking. Said the second man to his friend: "You must smoke fifty cents' worth of cigars every day, do you not?" "Yes," the friend replied. "Did you ever stop to think," asked the first speaker, "that had you invested that amount of money in sound investments for the last twenty years you could have now owned that fine business block which stands there?"

For Economical Transportation

## Beauty that Reflects Spirited Performance

THE refinements which distinguish the design, finish and appointments of the most beautiful Chevrolet have their counterparts in many striking advances in engineering. Features which you can expect only in cars at hundreds of dollars above Chevrolet—smooth dry-die chassis, AC air-cleaner, new, improved transmission, smooth dry-die clutch, sturdy rear axle and scores of others give Chevrolet a unique combination of power, smoothness and ruggedness.

The most beautiful Chevrolet in Chevrolet history is selling at new, lower prices. The lowest for which Chevrolet has ever been sold in Canada.

NEW LOWER PRICES			
Model	Price	Model	Price
1500	\$1450.00	1500	\$1450.00
1500	\$1450.00	1500	\$1450.00
1500	\$1450.00	1500	\$1450.00
1500	\$1450.00	1500	\$1450.00

Price of Factory, Complete—Government Tax Extra

## The Most Beautiful Chevrolet in Chevrolet History

WHITE & SON  
STRATHMORE, ALBERTA

His friend then asked: "You've never smoked, have you?"

"No," the other replied.

"Well," asked the friend, "which one of those blocks do you own?"

Every day we spend money to gratify our desires in ways which bring us little benefit, and it is a case that if our income is not spent in one way it is in another. After all, money is of no value; aside of preventing worry, in which it often fails; until it is spent. The gratification of our desires is the key to the present age, and the sooner we gain the pressing desire to beautify our homes through tree planting, painting up, and installing electricity for lighting and power purposes, the sooner we will become contented and be able in the evening hours to figure on newer methods of bookkeeping, stock-raising and efficient crop cultivation.

Give the farmers all the benefits of electricity, a nice library, running water, a few magazines, a typewriter, and a bath tub with running water, and you will find a group of people satisfied, and building up the social institutions of the country on a sounder basis. The only reason most of us do not have these comforts and conveniences today is because we neglect to think of these items when planning our expenditures for the year.

(Bow River News)

### MAKES \$20 PER HEAD ON FEEDING STEERS

Raymond Recorder: A carload of steers shipped by I. B. Roberts last Saturday to buyer Fleming, Calgary, scaled an average weight of 1225 lbs. each. On these 20 head of 2-year-olds

Mr. Roberts netted an average profit of \$20 a head. He purchased them last fall from Meeks Bros. at 54c lb. The price received was 76c lb. The steers made their largest weight gain on best tops which were fed up to January 15. After this date their rations were made up of straw, alfalfa,

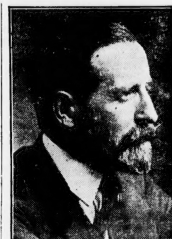

pulp and molasses. From the foregoing it is apparent that the farmer who is not prepared to utilize the feed value of beet by-products is losing the cream of the beet industry; he is missing an opportunity of turning idle winter days into money-yielding months.

### STILL MAKING GOOD

The Detroit Municipal Railways continue to make good. The "net income" for the month of January, '27, was \$278,841.26. The "balance" after \$220,841 was put into "sinking funds" was \$57,999.99.

The "net income" for the year ending January 31, 1927, was \$3,183,228.76. And the "balance" for the year after \$2,606,227.79 had been set aside for the various sinking funds was \$585,001.97.

Another splendid showing for municipal ownership.

CANADIAN BANKER HONORED  
Sir Frederick Williams-Taylor, General Manager of the Bank of Montreal, has been made an officer of the Legion of Honor by the French Government in recognition of his financial work in that country.

## CANADIAN PACIFIC WORLD CRUISE

Every Denver Kansan is going to have an elephant on his hands when their club member Albert Platt arrives home from his world tour on the Canadian Pacific. The first of a series of lectures on the tour of the world will be given at the Hotel Globe tonight. The tour was for each of the boys back home, from Cyprus.

His Excellency, the Governor-General of Canada, and Lady Willingdon, Mother of the Empire, will be in the Buffalo Park at Toronto during their official western tour.

First refugees from China, civil war to reach a safe haven. Mrs. Maria Smith, wife of Mr. John Smith, and her young baby of 18 months, who were landed in New York by the Canadian Pacific, are now in the Hotel Empire, where they are being cared for by the Canadian Pacific. They were rescued at Kobe, Japan, from a steamship.

Happy ending to the 20,000-mile world cruise of the C. P. liner, Empress of Scotland, which docked at New York, recently.

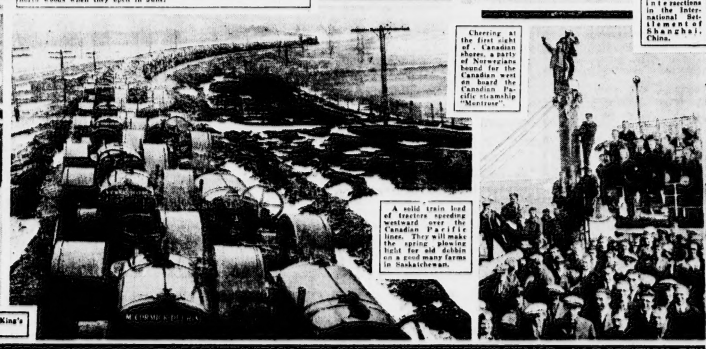

The Hungry Camps of the Nipigon and French River districts in Ontario will become the scene of tourists in search of real holidays in the north woods when they start in June.

Dashed wire entanglements and a strategic street in a routine in the International Settlement of Shanghai, China.

Officers of the famous Gordon Highlanders marching at the King's Levee, at St. James Palace.

Cheering at the first sight of a Canadian steamer, a party of Norwegian-Americans, bound for the Canadian west, are aboard the Canadian Pacific steamer "Montreal".

A solid train load of freight speeding westward over the Canadian Pacific line. They will make their way to the heart of the continent and many farms in Saskatchewan.

specialty.

**RUSSIA BUYING CANADIAN  
FARM IMPLEMENTS**

Orders for implements placed in  
Canada by Russia during the first  
month of this year are about twice  
as large as those given to the Cana-  
dian manufacturers during the  
twelve month of 1926.  
Enough mowers were purchased in  
Canada this year for the Soviet  
Union to cut during a twelve-day  
haymaking season, working ten hours a  
day, almost 21,000 acres of hay.

Of binders enough were purchased to  
cut 600,000,000 sheaves of grain  
of 42,700 acres of land working  
fourteen ten-hour days. It will re-  
quire about 9,000 horses to work these  
implements in the fields.  
Binder twine purchased this year  
from the Brantford Cordage Company  
by the Soviet Trade Delegations  
amounts to over 10,000,000 pounds,  
which is more than the total tonnage  
of twine exported from Canada to  
all countries during last year.

If all the twine which is going this  
year from Brantford to the Soviet  
Union were made into one ball it  
could be drawn from the factory to  
any point on the equator, and passed  
around the earth 200 times. In car-  
loads the orders amount to eight  
trains of 50 cars each, and will fill  
a whole boat specially chartered to  
take the Canadian purchases to the  
Russian ports.

**Fairie  
PLAY**

"Snow White and the  
Seven Dwarfs"

Produced by special ar-  
rangement with Samuel  
French, of New York

and played by the  
**1st Coy. Girl Guides,  
Strathmore**

— Memorial Hall —  
**MAY 10th, at 8.15 p.m.**

We understand Russia was offered  
a better price and special in-  
ducements as to credit terms from Ger-  
man, Dutch, British and United States  
manufacturers, but as this twine  
proved the most satisfactory to them  
last year, they are willing to pay  
cash again to secure Brantford twine.  
The total orders amount to con-  
siderably over \$1,000,000.
